

# Assemblywoman Michaelle Solages Announces: **A YMCA Community Center is Coming to Elmont!**

After years of advocacy from Elmont residents, we are delivering on a long-standing commitment tied to the redevelopment of Belmont Park and UBS Arena.

**As part of that agreement, the development team, in partnership with YMCA Long Island, has closed on a site at 570 Elmont Road, marking a major step forward in bringing this long-promised community center to life.**

This investment builds on the broader community benefits secured through the redevelopment, including upgrades to two local parks, the first new LIRR train station in decades, a commuter parking lot reserved for Elmont residents, and seasonal jobs and career opportunities on site for these projects.

Working with Governor Hochul, Empire State Development, and Nassau County Legislator Carrie Solages, we are delivering on our commitment to Elmont.

While there have been delays, we are now seeing meaningful progress and continued coordination to move this project forward. We look forward to bringing the community together to help shape a shared vision for what this community center can be, ensuring it reflects the needs, values, and future of Elmont.

We look forward to bringing the community together to help shape what this space becomes.
