Assemblywoman **Nily Rozic**
Free Rain Barrels!

I am happy to announce that I am partnering with the Department of Environmental Protection to give out free rain barrels to local homeowners!

During heavy storms, runoff can overwhelm your street's sewer system and in some cases cause street flooding. Using a rain barrel is a great way to both save on your water bill and alleviate flooding.

The event will be held on **Sunday, June 29, 2014** in the school yard of **JHS 216 George J. Ryan Middle School**, located at **64-20 175th St.** in **Fresh Meadows** from **11 a.m. – 2 p.m.**

Rain barrels will be distributed free of charge. Due to a high volume of requests, please call my office at **718-820-0241** to **pre-register for this event**. Walk-ins are welcome, but will not guarantee a rain barrel.

If you have any further questions on this matter or other matters in our community, please do not hesitate to contact me or my staff at 718-820-0241.
