Assemblyman Hevesi Continues Community Service

Building on last Fall's highly successful parks cleanup, Assemblyman Hevesi is organizing multiple community service days this year, including graffiti cleanups, community service days, and park cleanups. These events would not be possible without the wide array of dedicated volunteers focused on bettering our community.

Assemblyman Hevesi has brought together people from across the district to volunteer, including our local precincts, Forest Hills Asian Association, Color of Justice, Women's Action Group of Forest Hills, Forest Hills Green Team, various Girl Scout Troops, Friends of MacDonald Park, local community boards, and more.
