By securing \$100,000 in New York State funding, the program will bring daily street cleanings to Austin Street, Yellowstone Boulevard, and Continental Avenue in Forest Hills, with a goal of providing long-term and comprehensive support and to keep our neighborhoods clean and beautiful.

The program will continue through 2025, with Assemblyman Hevesi working to sustain the initiative in the future. For any questions, call (718) 263-5595 or email [hevesia@nyassembly.gov](mailto:hevesia@nyassembly.gov)!
