CREATING FREE PROGRAMS FOR THE COMMUNITY

I look forward to further supporting our local free programs with churches, colleges, and senior centers to continue to enhance our community and provide resources. This year we continued in partnership with Showing Hearts and ENA the Free Class B Training program for the community to get their CDL license. We have also started a Free Healthy Food Distribution program with Emblem Health.

FIGHTING FOR JOBS AND ECONOMIC OPPORTUNITY

I am committed to fighting for New Yorkers to improve our community's access to better paying jobs, thriving small businesses, and a brighter future for all.

SENIOR LUNCHEON FOR SENIOR APPRECIATION MONTH

During Senior Appreciation Month, it is Southeast Queens' privilege to give back and highlight our championing seniors. This year, we were able to host the Senior Luncheon and a CPR class with Emblem Health. Thank you, Seniors, for your continued support and patience. Let's continue to strengthen Southeast Queens.

Dear Neighbor,

As we embark on a new year, I want to reflect on the incredible work we have accomplished together in 2024. Serving as your 33rd Assemblymember has been an honor, and I am deeply grateful for your trust to continue to serve you.

This past year, we improved public safety, supported small businesses, advanced education, and championed affordable housing. In 2024, we were able to pass major pieces of legislation such as A.3502, the Child Sensitive Arrest Policy, A.1118 Gambling Hotline, and more.

Your voices and demands guided our efforts, and your participation made our successes possible. You played a vital role in shaping our shared future.

As we look to 2025, I remain committed to serving you and addressing the challenges that lie ahead. Together, we can continue to build a stronger, more vibrant Southeast Queens community.

Thank you for your support and partnership. Wishing you and your loved ones a joyful holiday season and a prosperous New Year. From passing critical legislation to hosting impactful community events, 2024 has been a year of action and progress.

Warm regards,
