**Why Federal Budget Dollars Matter to You - RSVP to our Budget Town Hall**

I have been busy over the last few weeks spreading the word through email, social media, at community meetings and subway stations about the town hall meeting that I am hosting with NYC Comptroller Scott Stringer next **Wednesday, May 10<sup>th</sup> at John Jay Educational Complex in Park Slope.**

Here is a snapshot of how many federal dollars New York State receives on a number of key fronts to give you a sense of how important this is:

**Education:**

**Title I – \$1.77 Billion** Title I of the Elementary and Secondary Education Act (ESEA) provides financial assistance to local educational agencies (LEAs) and schools with high numbers or percentages of children from low-income families to help ensure all children meet state academic standards. Funds support extra instruction in reading and mathematics, special preschool, after-school, and summer programs to extend and reinforce the regular school curriculum.

**NYC Medicaid Expenditures (in billions):**

**Total Federal Share**

- Bronx 7.6 4.3
- Brooklyn 10.7 5.9
- Manhattan 5.3 3.0
- Queens 7.4 4.2
- Staten Island 1.3 0.7
- **Total - NYC 32.2 18.0**

**Transportation:**

- Federal funds play a critical role in funding the State’s transportation infrastructure. For instance, the \$28.1 billion MTA capital plan assumes \$7.3 billion (26%) in Federal funding.

**Environmental Conservation:**

- The Enacted Budget for the State Department of Conservation includes \$81 million in Federal operating grants for all other statewide environmental projects, and also provides \$190 million in capital grants for this same purpose.

**Update on the Young Voter Act**

**ICYMI:** [The Daily News printed an op-ed today from Eli Frankel](#), one of the High School students who I have been working with on [The Young Voter Act A.6839](#), a bill that I am sponsoring to lower the voting age to 17 for state and local elections. Eli, along with 31 of his friends have chartered a bus and will be coming up to Albany on Tuesday, May 9<sup>th</sup> to lobby the other members of the Legislature who have not signed on to co-sponsor the bill. [The Young Voter Act is being carried in the Senate by Senator Brad Hoylman](#). I will update you next week on how the lobby day goes for all of the high school students who make the trip!
