

A message from:

 Member of Assembly
 44th District

Dear Neighbor,

Here is your 2025 New York City Parking Calendar. It lists the days of the year that certain parking regulations are suspended.

Please be sure to read all parking signs carefully. Buckle up, drive safely, and please be mindful of pedestrians, cyclists, and all others who share our roadways.

Also be sure to check your car's "blind spots" before you parallel park or open a driver's side door, and remember that at all hours bike lanes must remain unobstructed.

Please let me know if I can be of help in any matter.

Sincerely,

Robert Carroll

Alternate Side Parking rules: Alternate Side Parking (ASP) rules allow for street cleaning. Most ASP signs are marked with the “P” symbol with the broom through it and indicate the days and times parking isn’t allowed. Some metered parking zones have ASP rules. Each year, the city suspends ASP rules on certain legal and religious holidays. This brochure lists the holidays with suspended ASP for 2025.

The city may also suspend ASP rules because of snow, inclement weather or other emergencies. Visit nyc.gov/dot or dial **311** for further information. For TTY deaf or hearing-impaired, dial **212-504-4115**.

When ASP is suspended for a holiday or other reason, the parking meters remain in effect, and you must still follow any other posted parking time limits and rules.

Parking tickets: parking tickets may be paid online via CityPay at nyc.gov/citypay, using the **NYC P-Ticket Pay or Dispute** app on your mobile device, by mail (make checks payable to "NYC Department of Finance") or in person at a DOF Business Center.

Get connected: find out the current alternate side parking status by visiting the NYC311 Online homepage portal.311.nyc.gov, following [@NYCASP](https://twitter.com/NYCASP) on Twitter or using the **NYC311** app on your mobile device. You can also call **311** to find out if ASP is in effect or suspended.
