# WORKING FOR A STRONGER FUTURE

I'm pleased to announce that *our efforts to delay congestion pricing have been successful!*<sup>1</sup> marking a significant step toward protecting Brooklyn residents from unnecessary financial burdens. However, the fight continues as we work toward a complete repeal.

- **Repeal Congestion Pricing** (A.9877)
- **Independent Forensic Audit of the MTA's finances** to ensure transparency and accountability. (A.9877)

## Relief for Brooklynites doesn't stop with repealing congestion pricing. I am also fighting to:

- **Provide seniors across the state with needed tax relief** by increasing the income cap level for senior citizens applying for the Enhanced STAR property tax exemption. (A.2769-A)
- **Provide families with tax relief** on gas, personal care products, household supplies, and groceries. (A.1690)
