**For a Community Conversation about  
CLARK STREET SUBWAY STATION**

featuring:

**NYC Transit President Andy Byford**

**Monday, September 16, 6-8pm**

St. Francis College, 180 Remsen Street  
between Court Street and Clinton Street

MTA NYC Transit has plans for an elevator replacement project to address the aging elevators at the Clark Street 2/3 subway station in Brooklyn Heights. President Byford will attend a community meeting to discuss the possible options for renovation, including a potential station closure or reduced station operations during the replacement.
