

ASSEMBLYMEMBER
JAIME WILLIAMS

Jaime is focused on *delivering*

for us as she **champions homeowner protections** (A.6032 Protect STAR Eligibility for recent retirees), **fights rising property taxes** (A10009-C expanded and simplified STAR and senior property tax relief), and **secured funding for small businesses** through the Brooklyn Chamber of Commerce. Jaime helped secure funding for our **senior centers, protecting our hard earned tax dollars while enhancing our middle-class quality of life** (10002-C, A.10003-C, and A.10005-C: Budget investments in HOPP, Neighborhood Preservation Programs, and Down Payment Assistance, all of which help New Yorkers buy, keep, and protect their homes). Assemblymember Williams delivered important **Jamaica Bay initiatives**, including continued **funding for local organizations**, **food insecurity** and **services to combat gun violence**.

This Summer, as you see her walking the streets of our community talking to people, listening to their complaints, problems and suggestions to improve our quality of life.... say HELLO! Jaime is touring our neighborhood.

Please come over and shake her hand because she delivers, and we know that is what our representative is supposed to do.
