

Weekly Report from Assemblyman Charles D. Fall

July 29, 2021

Summer Reading Challenge and Calendar

There is no better way to help kids expand their horizons and keep their minds active than by picking up a good book. This year I am inviting our local youth to participate in the Assembly Annual - Summer Reading Challenge, held in partnership with New York State Libraries. The challenge asks children to read a book for a minimum of 15 minutes a day for at least 40 days during July and August. Children can read on their own or with a partner or caregiver and mark off days on the calendar provided. Once they've completed 40 days or more, they submit the calendar to my office and then receive a certificate in the mail.

St. George Theatre and Announcement

Last Friday, July 29th, I had the pleasure of attending the Student Showcase Program at the St. George Theatre and announcing the securing of an additional state-funded allotment of one million dollars for the theatre. It is important that we show up and deliver for the institutions on the North Shore that have given so much over the years. The St. George Theatre has always been a pillar of our community known for bringing people together. This past year has been extremely challenging as we've watched business after business struggle to stay afloat. As we continue to recover from this pandemic, I am proud that Assemblyman Mike Cusick and I could secure \$1 million for the St. George Theatre to continue restoration and prepare for reopening later this year.

Eid Celebration

I want to thank the Muslim Sisters of Staten Island and the Bait-ul Jamaat House of Community for hosting their community celebration of Eid. I was happy to see some old friends and make some new ones.

Mobile Office

I am excited to announce that our Summer Mobile Office is back in full force. Every Monday, Tuesday, and Thursday my team will be out in the neighborhoods of the 61st Assembly District supporting our community. If you spot our blue tent, come over and say hello.

Updates From Albany

This week it was announced that the Assembly will hold a hearing on the Emergency Rental Assistance Program.

Assembly Speaker Carl Heastie, Ways and Means Committee Chair Helene E. Weinstein, Housing Committee Chair Steven Cymbrowitz, and Social Services Committee Chair Linda B. Rosenthal announced the Assembly will hold a hearing on Tuesday, August 10, 2021, to

examine the application process and implementation of the Emergency Rental Assistance Program (ERAP).

- The ERAP application opened on June 1, 2021, to aid eligible renters with rental arrears, utility and home energy costs or arrears, and future rent.
- New York received \$2.6 billion in federal funding for ERAP through the Health and Economic Recovery Omnibus Emergency Solutions (HEROES) Act to assist households who have been unable to pay residential rent due to the economic crisis caused by the COVID-19 pandemic.
- The hearing will specifically evaluate how quickly assistance is being distributed to individuals, both tenants and landlords, as well as evaluate the access and submission of the application.
- The hearing will stream live on the Assembly website.

“Thousands of New Yorkers lost their income and fell behind on rent during the COVID crisis and many landlords who depend on rental income found themselves unable to pay their mortgage and meet their monthly expenses.

New Yorkers are counting on the Emergency Rental Assistance Program to deliver them the much-needed relief that was promised by the state using federal funds. This hearing will provide the opportunity to evaluate the process of effectively delivering that relief.”

Critical Updates, New Policies, and Testing Locations to Protect You and Your Community

1. [**Governor Cuomo announced that patient-facing healthcare workers at state-run hospitals will be required to get vaccinated for COVID-19 by Labor Day.**](#) There will not be an option to be tested in lieu of vaccination for these patient-facing healthcare workers. The Governor also announced that all New York State employees—about 130,000 people—will be required to get vaccinated for COVID-19 by Labor Day. State employees who do not get vaccinated will be required to be tested for COVID-19 on a weekly basis. New York State is working with state unions to implement the requirement quickly and fairly.
2. [**Governor announced the CUNY Comeback Program, a sweeping plan to eliminate up to \\$125 million in unpaid debt for at least 50,000 students who attended CUNY and suffered financial hardships during the COVID-19 pandemic.**](#) The initiative is one of the nation's largest student debt forgiveness plan of its kind. Additionally, students who did not accrue unpaid tuition and fee balances during the period but experienced financial hardship stemming from the pandemic will receive relief in the form of enhanced Student Emergency Grants. The CUNY Comeback Program will be funded through federal stimulus assistance allocated to CUNY.
3. **Following today's gun violence prevention community meeting for Staten Island, Governor Andrew M. Cuomo today announced 88 jobs will be available for at-risk youth living in ZIP code 10304.** The state will provide funding to create 44 summer jobs for youth aged 15 to 24 in this zone to keep them employed until the start of school this year. The State is also partnering with the Consortium for Worker Education to provide job training and placement into long-term jobs for 44 young people who are out of school and live in this zone. "Gun violence is a crisis that is tearing communities apart while hindering our recovery, and we remain committed to solving it," **Governor Cuomo said.** "These meetings are bringing local leaders to the table and helping us zero in on the specific needs of communities, so we can agree on the solutions that are right for every locality."
4. [**NYS has enacted legislation \(S.4201-A/A.4063\) prohibiting public employers from penalizing employees who use sick leave or compensatory time to quarantine, seek medical treatment, or for other absences related to a COVID-19 diagnosis or contact.**](#)
5. [**The Governor announced that New York State will invest an additional \\$35 million in the QUALITYstarsNY program, delivering resources to improve early childhood care, including staff training. QUALITYstarsNY is New York's quality rating and improvement system, based on 5 stars, with 5 being the highest.**](#) Early childhood programs volunteer to participate and this investment will help programs

improve so they can meet the minimum requirements to qualify.

FORECLOSURE PREVENTION NETWORK

Legal Services NYC
SERVING JUSTICE

Since 2007, Legal Services NYC's Foreclosure Prevention Network has assisted nearly 17,000 New York City homeowners facing foreclosure. With community-based foreclosure prevention projects in our Bronx, Brooklyn, Queens and Staten Island offices, our dedicated team of nearly 40 attorneys and advocates provide critical legal services to homeowners navigating the judicial foreclosure process and fight to help them save their homes. LSNYC Foreclosure Prevention Network partners include non-profit organizations, housing counselors, social service agencies and local government. Our advocates conduct trainings, outreach and education activities in conjunction with community and government partners.

WHAT WE DO

Legal Services NYC's Foreclosure Prevention Network attorneys represent homeowners in foreclosure as well as in state and federal court litigation challenging predatory lending, abusive mortgage servicing, scams targeting vulnerable homeowners, and fair housing and lending violations. We are the largest group of free civil legal services attorneys that help NYC homeowners by:

- Representing homeowners in court-mandated settlement conferences
- Providing legal advice and pro se assistance to homeowners through court-based clinics
- Helping clients negotiate home-saving solutions
- Advocating for fair lending rules, and for better enforcement of laws protecting consumers from predatory practices

CLIENT SUCCESS STORY

Ms. M, a 68-year-old Black homeowner, fell one month behind on her mortgage when she had to pay for her sister's funeral expenses. For one year, her mortgage company continued to accept her payments, but then her servicing was transferred to a new company. The new mortgage company refused to accept Ms. M's payments unless she could catch up on the one missed payment. For three years, Ms. M tried to negotiate with her lender, but it refused to work with her even though she had sufficient income and was caring for her husband, who suffered from Alzheimer's disease. After being sued in foreclosure, Ms. M was able to connect with Brooklyn Legal Services, who helped her negotiate a modification with a lower interest rate and more affordable monthly payment, saving her \$300 per month on her housing expenses and allowing her family to remain in their home.
