

Weekly Report from Assemblyman Charles D. Fall

August 26, 2021

District 61 News

Lopez Playground Ribbon Cutting

The Lopez Playground renovation has been a special project for me ever since my time at Parks. Even before I became a state representative I worked and advocated with my now colleague, Councilwoman Rose for this reconstruction. I am proud that she and I could stand alongside other community leaders to present Park Hill with space for youth activities, adult fitness, community gathering, and so much more.

NYC Fast Ferry

The NYC Fast Ferry has been a successful program throughout New York and I am excited it has finally made its debut in our borough. Staten Islanders have some of the worst commute times in the country and this fast ferry will significantly improve the commute of many residents on the North Shore. I want to thank the Mayor and Borough President Oddo for making this possible.

Gotham Health Mural Unveiling

Earlier this week, I had the pleasure of being present at the unveiling of a new mural at the Gotham Health Vanderbilt facility. The piece titled "New Light", by artist Cara Lynch was a work inspired by healthcare workers and patients and dedicated to those same folks. The art installation captures the spirit of Gotham Health in a vibrant and colorful manner. I want to thank the leadership over at the facility for all the work they do for our community.

COJO SI Pre-Rosh Hashanah Food Distribution

It was an honor to join COJO Staten Island for the Pre-Rosh Hashanah food distribution. COJO is consistently working to provide resources and groceries to Staten Islanders and I am grateful for the partnership we have together.

City Resource Fair

As part of "City Hall in Your Borough" the Mayor's office hosted a City Agency Resource Fair at the Gerard Carter Center in Stapleton. I had a great time seeing so many of our community partners and city agencies come together in one place. I am thankful for the Mayor's efforts in bringing all these resources to our community.

Summer Mobile Office

I am excited to announce that our Summer Mobile Office is back in full force. Every Monday, Tuesday, and Thursday my team will be out in the neighborhoods of the 61st Assembly District supporting our community. If you spot our blue tent, come over and say hello.

Updates from Albany

Earlier this week, Kathy Hochul was sworn in as the 57th Governor of the State of New York, joined by immediate family members, Senate Majority Leader Andrea Stewart-Cousins and Assembly Speaker Carl Heastie.

Governor Hochul also delivered a virtual address to the people of New York State.

Governor Hochul: "To those New Yorkers who have yet to meet me. I say this: you may not know me. But I know you. In my travels to all 62 counties every year, I've walked your streets, met you at diners, supported your small businesses, listened to farmers, engaged local officials, and worked to revitalize long neglected downtowns."

Hochul: "I believe with every fiber in my body, that this is our time. Our time to escape the oppression of a deadly virus and make our schools and workplaces safe for return. Our time to build trust between communities and law enforcement, invest in mental health resources, and address the root problems of crime and keep our residents and children safe. Our time to make greater progress in ending the ugly specter of systemic racism. Our time to help small businesses and create new jobs for New Yorkers hit hard by the pandemic. Our time to unleash the power of New York's women, and to make sure that any barriers to success and opportunity are eradicated once and for all. And our time to show the world that 'ever upward' is more than just our State's motto. It's who we are. And where we are going. This is our time to look forward with a powerful sense of optimism and determination. It will not be easy. And we have a lot of work to do."

Governor Kathy Hochul also announced the selection of Brian Benjamin for Lieutenant Governor.

Senator Benjamin and Governor Hochul have previously worked together on several key issues, including fighting the opioid epidemic and boosting addiction recovery programs, supporting MWBE business owners and making it easier for New Yorkers to vote.

Senator Benjamin previously served as the New York State Senator for District 30 - which encompasses Harlem, East Harlem, and the Upper West Side - Chairman of the Senate Committee on Revenue and Budget and Senior Assistant Majority Leader, where he distinguished himself as a leader in criminal justice reform and affordable housing. Senator Benjamin remains heavily involved in his community in Harlem.

FORECLOSURE PREVENTION NETWORK

Legal Services NYC

Since 2007, Legal Services NYC's Foreclosure Prevention Network has assisted nearly 17,000 New York City homeowners facing foreclosure. With community-based foreclosure prevention projects in our Bronx, Brooklyn, Queens and Staten Island offices, our dedicated team of nearly 40 attorneys and advocates provide critical legal services to homeowners navigating the judicial foreclosure process and fight to help them save their homes. LSNYC Foreclosure Prevention Network partners include non-profit organizations, housing counselors, social service agencies and local government. Our advocates conduct trainings, outreach and advice activities in conjunction with community and government partners.

WHAT WE DO

- Representing homeowners in court-mandated settlement conferences.
- Providing legal advice and pro se assistance to homeowners through court-based clinics.
- Helping clients negotiate home saving solutions.
- Advocating for more lending rules and for better enforcement of laws protecting consumers from predatory practices.

CLIENT SUCCESS STORY

Ms. M, a 68-year-old Black homeowner, fell one month behind on her mortgage when she had to pay for her sister's funeral expenses. For one year, her mortgage company continued to accept her payments, but then her servicing was transferred to a new company. The new mortgage company refused to accept Ms. M's payments unless she could catch up on the one missed payment. For three years, Ms. M tried to negotiate with her lender, but it would not work with her even though she had sufficient income and was paying for her husband, who suffered from Alzheimer's disease. After being sued in foreclosure, Ms. M was able to connect with Brooklyn Legal Services, who helped her negotiate a modification with a lower interest rate and more affordable monthly payments, saving her \$300 per month on her housing expenses and allowing her family to remain in their home.

@FORESTAVECOMUNITYFRIDGE

WHO ARE WE?

We are a collaborative group, born and raised on the North Shore, who are passionate about addressing the health food disparity in our neighborhood of Mariners Harbor. The foundation of our initiative is "take what you need, leave what you don't" and "we keep us fed and healthy!" – in hopes of creating a culture of unity, interdependence, community restoration and empowerment in Mariners Harbor.

WHAT IS A COMMUNITY FRIDGE?

*A Community Fridge is a fridge that provides **free and healthy food** for community members. The fridges offer access to fresh produce, healthy grains and perishable items to communities that do not have a lot of access to healthy food options.*

HOW CAN MY BUSINESS HELP?

Your business can help by donating surplus food to our fridge or allowing us to purchase food at reduced costs.

WHY SHOULD MY BUSINESS/ORGANIZATION CARE ABOUT A COMMUNITY FRIDGE?

In recent political and racial events, many businesses and organizations are looking for ways to fight against racial inequity. Community fridges represent mutual aid – the idea that solidarity not charity is what communities need in order to become fairer and stronger. By donating food to our fridge, your business will be taking part in our ongoing movement for creating justice – first within our communities.
