¹ NYC Confirms Pilot Program to Lock Front Doors of Public Schools (Staten Island Advance)

² Lawmakers, Advocates Call for Restoration of Canceled School Safety Agent Class (Greek News)

Enhancing School Safety

Reilly led the charge and successfully brought camera-based, door-locking security systems to NYC public schools¹ and has been outspoken about the need for more school safety agents to keep our students and teachers safe.²

Prioritizing our Students

This year's Enacted Budget saw increases to State education aid³ and, since taking office, Reilly has secured over \$160,000⁴ in State Bullet Aid funding to support technology upgrades at Staten Island public schools.
