New Yorkers Deserve A Break

That's why I support these proposals:

INFLATION RELIEF & CONSUMER ASSISTANCE PLAN

Would eliminate sales tax on dozens of everyday items for two years, including (but not limited to) gasoline, personal care products, housekeeping supplies, and prepared foods. (A.7417)

CHILD CARE TAX CREDIT

Would help working parents keep more of their paycheck by providing a tax credit for child care expenses. (A.05810)

FIGHTING HIGH UTILITY BILLS

Would help relieve struggling families by requiring utility companies to provide a detailed breakdown of the costs of various state-mandated green energy programs. (A.6152-A)

REPEALING CONGESTION PRICING

Would stop unfair tolls hurting Staten Island commuters. (A.4660) of 2024
