FIGHTING FINANCIAL STRUGGLES

I have been hard at work with partners in Albany to help enact changes for the benefit of our economic future. You work hard, and you deserve a state that works hard for you.

Here are a few proposals I am fighting for:

✔ Toll Payer Advocacy & Relief Act
Would hold toll agencies accountable and increase transparency to help stop unfair MTA, Port Authority & E-ZPass toll practices. (A.9070)

✔ Solar Credit Transfer
Would allow unused solar tax credits to transfer when you sell your home—so your investment keeps paying off. (A.10775)

✔ E-ZPass Tolls Tax Deductible
Would provide a tax credit for E-ZPass tolls, putting real money back in your pocket. (A.10825)

✔ Savings While Shopping
Supports a program that would eliminate sales tax on essentials like gas, household supplies and personal care products. (A.7417)
