OPIOID LAWS & TREATMENT INITIATIVES

I Support Tougher Laws and Enhanced Rehabilitation

- ▶ Making it a felony to knowingly and unlawfully enhance another illegal substance with fentanyl.¹
- ▶ Creating a death-by-dealer statute punishable as a class A-1 felony.²
- ▶ Creating a state-run opioid rehabilitation facility offering long-term treatment to help reduce repeat offenses.³
- ▶ Prohibiting the sale of xylazine without proof of its intended use for institutional, veterinary, or scientific purposes.⁴

Opioid Addiction Treatment

- ✓ I helped announce \$12 million in funding that was secured over a four-year period for opioid addiction treatment in Staten Island. With this money, Staten Island can bolster its efforts in prevention, treatment, and recovery, marking a significant step forward in combating opioid addiction.⁵
