FIGHTING FOR AFFORDABILITY

“Families and small businesses in the 64th A.D. have been hit hard by the effects of **record-high inflation and consumer prices**. The most recent statistics from the U.S. Department of Labor - Bureau of Labor Statistics show the situation is even worse than we thought, with record-breaking price increases in virtually every category. **I am fighting every day to combat runaway inflation and to find real solutions for our Staten Island and Brooklyn communities. New Yorkers deserve better.**”

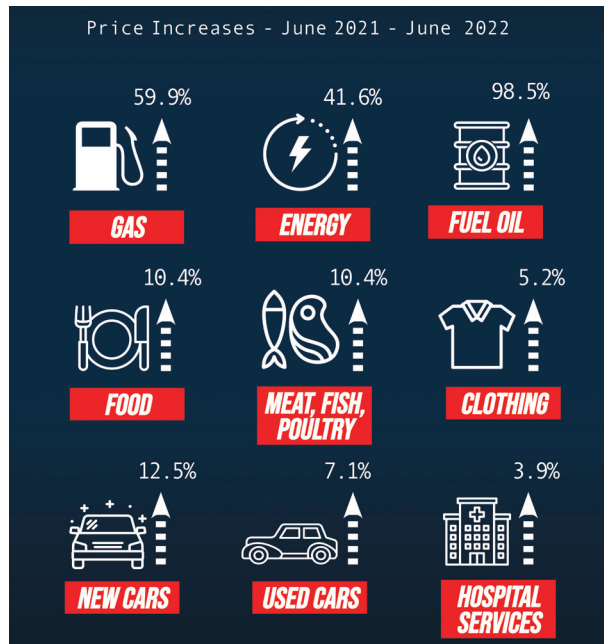

The **‘Inflation Relief and Consumer Assistance Plan’** would slash state sales tax on items such as gas, prepared food, housekeeping supplies, etc., resulting in immediate relief to the tune of **\$2.6 billion statewide** (A.8481).
