

IN THE COMMUNITY

Happy Pride!

On Sunday, Team Bores marched in the NYC Pride Parade.

Thank you to all who joined us to celebrate our thriving LGBTQ+ community!

The Bores Brief

Only have minutes to spare? Here's what you need to know:

- Finished my first session in Albany
- Passed six bills, one of which provides 20 additional judges across multiple Criminal Court, Civil Court, Family Court, and Supreme Court jurisdictions
- Introduced an E-Bike Data bill to track accidents and respond to growing safety concerns
- Introduced the PAID Act, which would require political campaigns using Artificial Intelligence (AI) to generate campaign materials to clearly disclose its use
