

## IN THE COMMUNITY

### The Bores Brief

Only have minutes to spare? Here's what you need to know:

- Introduced legislation requiring companies whose employees or contractors ride e-bikes or e-scooters to administer a safety course on the rules of the road, and to penalize companies who fail to do so. This will help protect both pedestrians and riders.
- Spoke out against antisemitism after the Kehilath Jeshurun (KJ) Synagogue on 85th St was vandalized. There is no place in New York for vitriol and violence against Jews, and we will not be complacent in the face of hatred and ignorance.
- Supporting Workers: this past month, I met with the National Labor Caucus and supported local Starbucks workers as they fight for their right to unionize.

As always, it is my honor to represent you in Albany.

My office is here to serve you! If we can ever be of assistance, write to us at [BoresA@contactme.nyasassembly.gov](mailto:BoresA@contactme.nyasassembly.gov).

Sincerely,

Alex Bores  
Your Assemblymember

At the E-Vehicle Safety Alliance's town hall, Assemblymember Bores addressed community concerns over electric bikes and scooters. The Assemblymember has already introduced two bills for next session to address these concerns and help make our streets safer: **A07628**, which ensures accurate reporting of accidents involving e-bikes and scooters, and **A07938**, requiring businesses employing e-bike drivers require a safety course on the rules of the road. Thank you to EVSA leaders for meeting with me to discuss public safety regarding these vehicles.

Assemblymember Bores toured the Purple Apron Food Pantry at Hunter College.

As many as 1 in 3 students in the United States face food insecurity, making it critical to raise awareness for resources like Purple Apron.

The Assemblymember stood in solidarity with Starbucks Workers United for their first nationwide Day of Action!

Special thank you to SEIU 32BJ for organizing and to the Writers Guild of America (WGA) for joining the fight.

Assemblymember Bores met with representatives of Equality New York's Youth Advisory Council to discuss their work to advance equality and justice for LGBTQIA+ New Yorkers.

## NIGHT OUT AGAINST CRIME

Assemblymember Bores joined police, first responders, and community members for National Night Out Against Crime. The NYPD's 19th and 17th precincts partnered with community groups to provide music, food, and activities for all!

## MOBILE OFFICE HOURS

Assemblymember Bores delivered lemonade and constituent support at our Mobile Office Hours at Sutton Place Park. We discussed community issues and were able to directly assist 22 constituents on the spot. Please join us for future office hours!

## FAREWELL TO OUR FELLOWS

We were lucky to have an incredible class of Fellows join our office for the Summer! Their passion and dedication have been vital to our team.

Thank you to Alex Herazy, Bryanne Sarfo, Tucker Weiser, Claire Ting, Sam Passner, and Henry Josephson for your work serving the 73rd District.
