ASSEMBLYMEMBER

Dear Friends and Neighbors,

For those observing this Rosh Hashanah, may this New Year bring you countless blessings, sweet moments, and cherished memories. May you and your family be inscribed in the Book of Life for a year filled with health, happiness, and peace. Shana Tova!

New York State is sending supplemental payments to more than one million New Yorkers who get the New York State Child Credit. [Click here to learn more.](#)

I am proud to have received a 100% rating by the New York League of Conservation Voters for cosponsoring and strongly supporting environmental legislation including \$500 million for the Clean Water Infrastructure Act.

Eligible voters can register until October 26 to vote in the November 5 general election. You can check your voter registration status [here](#). As the Assembly Sponsor of the Equal Rights Amendment to the New York State Constitution, now known as ballot "Proposal 1," remember to flip your ballot and mark it appropriately. More information on the registration deadlines for the November election is enclosed in this report.

Please don't hesitate to reach out to our community office if we may be of assistance.

**Assembly Member Rebecca Seawright's
Statement on the Missile Attack on Israel:**

Our deepest thoughts and prayers are with the people of Israel as its 10 million citizens have faced repeated assaults since October 7.

Today, as the eve of the Jewish New Year Rosh Hashanah nears, almost 200 ballistic missiles were fired at Israel by Iran.

The United States must firmly support Israel and oppose any threat to its well-being and existence.

Governor Hochul Speaks to the National Organization for Women Members on Ballot Proposal 1: The New York Equal Rights Amendment

Governor Kathy C. Hochul held an extraordinary session to achieve the second passage of the Equal Rights Amendment legislation for which Assembly Member Seawright is the lead sponsor.

Seawright Earns 100% on New York League of Conservation Voters Environmental Scorecard

NYLCV-supported budget measures included:

- \$400M for the Environmental Protection Fund, without raiding the fund to pay for agency staff;
- \$500 million for the Clean Water Infrastructure Act;
- RAPID Act to expand clean-energy transmission capacity;
- Sammy's Law, which allows NYC to lower speed limit to 20 mph on certain streets;
- Authorization for the MTA to waive penalties for fare evasion if the offender instead enrolls in the Fair Fares program;
- Stronger enforcement of illegal license plate covers to help ensure effective implementation of the congestion pricing program in New York City;
- A needs evaluation for highway and depot electric vehicle charging infrastructure;
- Clarification that Bond Act grant funding for electric school buses will not impact a school district's transportation aid; and
- The creation of a Zero-Emission School Bus Resource Center within NYSERDA.

Transportation Update

A Message from the Roosevelt Island Operating Corporation (RIOC) Transportation Department

Dear Roosevelt Island Community:

The Roosevelt Island Tram is the preeminent transportation option for islanders traveling to and from Manhattan. We are proud to have such a unique mode of transportation serving our community and are always looking for ways to improve overall service, safety, and ride quality, particularly for our senior and disabled passengers.

Working in collaboration with our Tram operator, Leitner-POMA, we have decided to implement the following changes to the Tram schedule starting next Monday, October 7th. These changes are designed to create a smoother ride by moderately slowing the cabins, which in turn should reduce jostling and overall instances of heavy cabin swaying:

- Trams will run every 10.5 minutes during morning and evening rush hour, and every 21 minutes during non-rush hour.
- Rush hour service will be extended a half-hour later for mornings (7AM-10:30AM).
- Rush hour service will begin a half-hour earlier for afternoons/evenings (2:30PM-8PM).

By adding extra rush hour service, we hope to provide island travelers with an easier daily commute, particularly students who are returning to the island from school. These adjustments should also help preserve the Tram long-term by reducing stress on components.

We appreciate your continued support as we strive to enhance our Tram service. Your feedback is invaluable, so please feel free to reach out with any thoughts or questions about these changes to info@rioc.ny.gov.

Thank you,

RIOC Transportation
