

## Dear Friend,

Signing up for the Do Not Call Registry will prohibit calls by telemarketers with no existing contract. I encourage you to sign up today if you haven't already done so.

### Here are some tips to protect yourself from scammers:

- ▶ identify the caller and their company; ask for their address and phone number;
- ▶ only give out personal information if you initiate the call to a reputable company; and
- ▶ if you're interested in an offer, hang up and call the company back to verify their legitimacy or do some research on the Internet or by asking friends and relatives.

You can sign up for the Do Not Call registry at [www.donotcall.gov](http://www.donotcall.gov) or by calling 888-382-1222.

For more information on scam prevention, please contact the New York Department of State's Division of Consumer Protection at 518-474-8583 or visit its website at [www.dos.ny.gov](http://www.dos.ny.gov).
