Assemblyman Nader Sayegh *is fighting for a more inclusive New York*

SUPPORTING NEW YORK ASIAN AND PACIFIC ISLANDERS

Assemblyman Sayegh co-sponsored a law to create the New York Asian American and Pacific Islander Commission (*Ch. 639 of 2023*). This commission will develop strategies to enhance community, economic and social prosperity, as well as the health and educational needs of Asian American/Pacific Islander communities.

EMBRACING CULTURAL HOLIDAYS

New York must embrace holidays and traditions from different cultures, as this reinforces a commitment to unity and inclusivity. That's why Assemblyman Sayegh co-sponsored laws that require public schools statewide to close on the Lunar New Year as well as make Diwali a holiday for New York City public schools (*Chs. 359 and 629 of 2023*).
