

**New York State Assemblyman Steve Otis
and the Westchester Assembly Delegation**

invites you to a

NYS GREEN Infrastructure Grant Workshop

**A Path to a Green Future featuring
NYS Environmental Facilities Corporation Senior Staff**

*A Special Workshop on EFC's Innovative Green Infrastructure Programs
New Opportunities to bring State Grants to Westchester*

EFC's Integrated Solutions Construction (ISC) Grants:

For projects that incorporate green infrastructure into Clean Water State Revolving Fund (CWSRF) projects to encourage and support green infrastructure alternatives and solutions. Successful applicants will construct projects that remove stormwater from combined, sanitary, or storm sewers. The proposed project should demonstrate the value of integrating green practices into traditional gray infrastructure projects to provide water quality benefits, as well as the advantages of natural systems.

Awarded projects will receive 50% of the construction cost of eligible green stormwater practices. ISC grant funding is available only in conjunction with CWSRF financing.

Friday, May 3, 2019

11:30am – 1:30pm

**Jay Heritage Center – Carriage House
210 Boston Post Road
Rye, NY 10580**

Green Innovation Grant Program (GIGP): To improve and protect water quality and implement green stormwater infrastructure in New York. The Green Innovation Grant Program (GIGP) supports projects across New York State that utilize unique stormwater infrastructure design and create cutting-edge green technologies.

GIGP provides grants on a competitive basis to projects that improve water quality and demonstrate green stormwater infrastructure in New York. The grant provides funding of a minimum of 40% up to a maximum of 90% of the total eligible project costs as provided in the application. A minimum of 10% up to 60% match from state or local sources is required.

Co-Sponsored by:

Assemblyman Otis, Jay Heritage Center, Westchester Municipal Officers Association (WMOA), Federated Conservationists of Westchester County (FCWC), Sustainable Westchester, and Save the Sound

**Admission is FREE
Registration is required.**

Networking opportunities and informational tables available to learn about local sustainable initiatives throughout the Lower Hudson Valley.

To RSVP and for additional information about this workshop, please contact Assemblyman Steve Otis' District Office at (914) 939-7028.
