Assemblyman Matt Slater is Fighting for Kent

“The equipment will be used in everything from daily patrols to long-term investigations and for documenting crime scenes and automobile incidents. We appreciate the support from our state lawmakers in helping local law enforcement stay up to date on technology.”
—Town of Kent Police Department

Assemblyman Slater helped secure over \$5 million in state funding for important projects in Kent. This funding will improve local roads and invest in our community, while easing the burden on property taxpayers.

- **\$1.1 million to repair and resurface Kent’s roads¹**
- **\$3.6 million to resurface Route 52²**
- **\$20,000 for the Kent Public Library’s community room³**
- **\$119,000 for the Putnam County Sheriff’s Office and \$150,000 for the Kent Police Department to purchase new technology and equipment, including license plate readers, cameras, unmanned aerial vehicles and smart vehicle technology.⁴**
- **\$255,000 for Putnam County 911⁵**

Assemblyman Slater also helped pass new measures allowing advertising revenue to be used to invest in Kent’s parks and baseball fields.⁶
