Dear friends,

Our farmers are ready to share their bounty, which is why I am so happy to be sending out our annual farmers market brochure to you.

Farmers markets are important to our communities because they are a source of fresh, nutritious food and they help our hard working and dedicated farmers thrive.

With the help of benefits such as the Supplemental Nutrition Assistance Program (SNAP) and the Senior Farmers Market Nutrition Program (SFMNP), everyone can enjoy the fresh food our farmers produce. If you have any questions about SFMNP, please contact your county's Office for the Aging: Sullivan County 845-807-0241 or Orange County 845-615-3700.

Please contact my Monticello office at 845-794-5807 or my Middletown office at 845-342-9304 with any questions. We are always here for you!

Sincerely,

Aileen Gunther
