Dear friends,

The weather is warming up, the leaves are back on the trees, our communities are getting ready for the first harvest and the robins have returned. It is time to get back out to our seasonal farmers markets.

Farmers markets are important to our communities, not just because they are a source of good, fresh and nutritious food, they also help our farmers thrive. Additionally, it's a great place to meet your neighbors!

We all love the delicious local food that we can find at our farmers markets, and with the help of benefits such as SNAP, as well as the Senior Farmers Market Nutrition Program, everyone can enjoy the benefits of fresh healthy food. If you have any questions, please contact your county's Office for the Aging: Sullivan County 845-807-0241 or Orange County 845-615-3700.

Please contact my Monticello office at 845-794-5807 or my Middletown office at 845-342-9304 with any questions you may have, or feel free to stop by any time.

See you there!

Sincerely,

Aileen Gunther
