# ***FIGHTING TO PRESERVE THE AMERICAN DREAM***

When it comes to knowing what small businesses need to succeed, experience is everything. As a former small business owner, Assemblyman Chris Tague knows how bad policy and over-regulation can prevent establishments from achieving their potential. Chris has been a strong advocate for the small businesses that help make our communities the unique places we know and love.

## ***CHRIS' SMALL BUSINESS PLAN:***

- Provide tax relief to businesses, encouraging business owners to keep their facilities and employees here in New York. (A.5497)
- Fighting against a proposal to lower the farm laborer overtime threshold from 60 hours to 40, which could drive up labor costs for agri-businesses by over 40% (1)(2).
- Drive investment in rural communities to create jobs and promote economic growth. (A.2552)
- Eliminate burdensome regulations and permit requirements that are stifling the success of small businesses. (A.4717)
