

My first six months as your State Assemblyman have been a whirlwind of activity and accomplishments. I am incredibly proud of what we have done so far, and I am excited there is more yet to come. Thank you for your continued support, and please know you are always welcome to reach out if you need my help.

Sincerely,

OFFICIAL OPENING OF OUR DISTRICT OFFICE

With friends, colleagues, and partners from across the district, we officially opened our district office on January 14 of this year!

RALLYING TO RESTORE PUBLIC SAFETY

I, alongside my fellow Hudson Valley delegates, rallied for a return to common sense and called on our colleagues in the Assembly to amend bail reform in the interest of public safety.

FIGHTING FOR FAIR DEALS

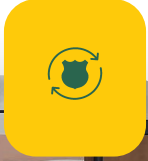

Back in the district, my team and I coordinated with Central Hudson customer service representatives to discuss overbilling issues related to utilities, and I'm incredibly thankful for all the hard work from my team and theirs on that day.

SUPPORTING LOCAL LAW ENFORCEMENT

With the help of my team, the “Cookies and Coffee for Cops” outreach event was a huge success and a great opportunity to show thanks to our law enforcement professionals!

LISTENING TO COMMUNITY FEEDBACK

I sent out legislative surveys earlier this year asking citizens from across the district to give me their thoughts on what they want me to focus on as your legislator. That survey is still available at [bit.ly/BeephanSurvey2023!](https://bit.ly/BeephanSurvey2023)

EXPANDING EDUCATION OPPORTUNITIES IN NEW YORK

I was able to participate in the grand opening of the new Dutchess BOCES building in Poughkeepsie!

KEEPING OUR COMMUNITY CLEAN

I joined members of the community to keep our beautiful Dutchess County clean on Earth Day!

MELANIE'S LAW

As we fought to get Melanie's Law (A.6026) passed, I found strong partners across the aisle and at home to advocate for this important bill, which passed in the State Senate and is on its way to passing in the Assembly!

WORKING TO FIX THE MIGRANT CRISIS

As the migrant crisis came to the Hudson Valley, I went to Washington to advocate for support for our communities alongside Congressman Marc Molinaro.
