Being a father is the best job in the world. Making sure my children and others in the community are prepared for school and receive the best educational opportunities possible is very important to me.

IT'S TIME FOR SCHOOL AGAIN!

To ensure our children are provided the knowledge and tools necessary to succeed this year, I am supporting legislation that will:

- **Rebuild** our schools by allowing high-need districts additional aid for the construction and/or renovation of school buildings. (A.00096)
- **Require** all public, charter, and non-public schools to serve breakfast and lunch at no cost to students. (A.1941)
- **Create** a comprehensive financial literacy program for grade eleven students across the state who are looking to graduate with a Regents, local, or advanced Regents diploma. (A.2928)
- **Improve** the transportation of students with special needs. (A3328)

"During my time as President and a Trustee of the Averill Park Education Foundation, I had the privilege of receiving the 'Friends of Education Award' from the Capital Area School District Association (CASDA). I also helped raise nearly \$1,000,000 for the district so our students can have the best experience possible."
