**Area benefits from new spending plan**

“We were hopeful we would get more money, and this is substantially more money.”

– Thomas Perillo,  
Greater Amsterdam School District Superintendent

## Santabarbara helped reform Common Core

- ✓ Standardized test scores will not be counted on students’ permanent records
- ✓ Eliminates standardized testing for students in grades K-2
- ✓ Creates a “Parents Bill of Rights” to safeguard sensitive student data

“The strength of our community – and the future of our state – depends on the quality of the education we provide our children.” – **Assemblyman Angelo Santabarbara**
