Working for the health and safety of our community

"There's nothing more important than the health and safety of our communities. *That's why I'm working to remove barriers to health care and improve access to important services our families deserve.*"

## Safeguarding public health:

### **Ensuring we have access to quality health care:**

- Passed new legislation to **increase access to telehealth services**
- Opened **New York's first sensory friendly emergency room** at Ellis Medicine
- **Increased access** to the Medicare Savings Program

### **Supporting hospitals and health care workers:**

- Secured funding for **infrastructure improvements** at hospitals, nursing homes, ambulatory care centers, community-based centers and other health care facilities and providers
- Sponsored and fought to pass the Safe Staffing and Quality Care Act that **improves working conditions and gets more nurses into our hospitals**
- Provided funding to **support home care workers**

### **Supporting ambulance services:**

- Delivered funding to **support our local providers**
- Created a **New York State Task Force** to support Ambulance Services
- Co-sponsored and help pass legislation to allow **air transport ambulance service providers to store and deliver blood to help save lives**

**Questions? Concerns? I'm here to help. Assemblyman Angelo Santabarbara**
