Our veterans deserve support for their well-being, access to employment opportunities, and assistance transitioning to civilian life. By fulfilling their needs, we can help ensure our local heroes can lead fulfilling lives and embrace the same American dream they fought for after their service.

# DEDICATED TO VETERANS, COMMITTED TO SOLUTIONS:

- ★ Establish tax credits for businesses that hire veterans (A.2817).
- ★ Allow 10 days of leave for spouses of service members deployed in non-combat zones (A.1832).
- ★ Extend the same tax exemptions to National Guard and Reservists as other service members in local municipalities (A.1098).
- ★ Authorize Legion of Valor license plates for those who received distinctions for their service (A.1311).
- ★ Implement a study of veteran health care services to ensure the needs of veterans and their families are being properly met (A.4201).
