## Less taxes for middle-class families

- **New York State continues to phase in an up to 20% cut in middle-class income tax rates**, which when fully enacted in 2025, will be the lowest middle-class income tax rate in more than 70 years.
- **The property tax cap has been made permanent**, which has provided certainty for middle-class families and saved North Country taxpayers \$631,281,904 since its enactment.
