SUPPORTING SCHOOL SAFETY FOR OUR STUDENTS

Creating a safe and secure environment for students is essential. To enhance school safety, I am supporting legislation that will:

- ✓ Help keep our children safe during school hours by establishing standards for security and safety on school grounds.¹
- ✓ Prohibit cyberbullying in schools statewide to promote bully-free learning environments.²
- ✓ Prohibit vaping in educational institutions and require education on its health risks to create a healthier, more focused learning environment.³
- ✓ Designate swatting a class E felony to address the rise in false threats that disrupt schools, cause trauma to students and staff, and misallocate police resources.⁴
