During these challenging times, it's more important than ever before to come together as a community and help get our local economy back on track. YOU CAN HELP!

- ✓ **Support Small Businesses:** shop small retailers and support mom-and-pop services.
- ✓ **Dine Local:** because we're going out less, it's more important that when we do, we choose a locally-owned establishment. You can also buy gift cards to use later or order take out to enjoy at home or for a picnic elsewhere if you don't want to dine in.
- ✓ **Farms First:** shopping at farmers markets and farm stands or pick your own farms is a great way to get out of the house as well as to get nutritious food all while supporting our local food producers. To find a farmers market near you:
<https://agriculture.ny.gov/farming/farmers-markets>.
