Dear Neighbor,

I hope this finds you well.

Enclosed is my annual Constituent Survey which allows you to share your thoughts on a number of issues. Right now, we're in the middle of working on the State Budget and also reviewing important policies, such as the recently enacted criminal justice reforms. But, as our legislative session progresses, it would be helpful to know how you feel about the topics below that are also being discussed at the Capitol. I hear from residents in my district on a regular basis about what is important to them, however, this survey makes it easier to hear from a large number of people. Your responses always provide an important perspective and I always look forward to receiving your feedback.

As in years past, there are two ways that you can complete the survey:

- If you'd like to save a stamp, fill it out online at <https://nyassembly.gov/lupardo> (This also helps us get you the results faster)
- Return the enclosed form to my Binghamton office

If you'd like to receive regular updates from my office, please sign up for e-News at the web address above. This electronic newsletter provides monthly updates with information about my work locally and in Albany.

My office is here to serve as a liaison between constituents and state government. Navigating state agencies can be difficult; we're available to help you address problems such as renewing a license, issues with insurance or taxes, or filing unemployment claims.

We are also able to provide a variety of Assembly recognitions, letters of support for worthwhile projects, and legislative information. Additionally, if you need assistance with a federal or local issue, we can refer you to the appropriate office.

If you have any additional questions or concerns, please don't hesitate to contact me at 607-723-9047.

Sincerely,

*Donna A. Lupardo*
