(*U.S. Department of Labor Consumer Price Index Report, January 2021-January 2022)

NEW YORK CAN PROVIDE \$2.6 BILLION IN SAVINGS

Although we can't control what happens in Washington, we can do something here in New York by giving tax breaks on everyday items to help ease the burden.

I proudly sponsor the “**Inflation Relief and Consumer Assistance Plan,**” which would eliminate state sales taxes on necessities like gas, food, cleaning supplies, and more to provide relief to struggling New Yorkers during one of the greatest periods of inflation growth in decades.
