

Dear Community,

My team and I love interacting with you through our weekly newsletters and follow up exchanges. It is so important to me that these newsletters stay focused on day to day events in the district and on services we want to bring to your attention while keeping them apolitical. We have now entered into the final days before the general election and it is important to hold to our Assembly rules requiring a moratorium on mass communications until after the election. We are continuing to collect news and highlights from around the district to share with you all and look forward to reconnecting soon!

In good health,

Anna
