Assemblyman
Al Stirpe
is working to make
Central New York a better place

Assemblyman Al Stirpe is delivering results for us

Keeping Central New York affordable

- Secured more than \$3 billion in property tax rebates for working families
- Extended the property tax cap by 4 years to help keep taxes down

Investing in education

- Increased aid for local schools by more than \$20 million to help ensure our kids get the quality education they deserve
- Secured an additional \$800,000 in discretionary aid to help support students and teachers

Creating jobs, strengthening our economy

- Fought to secure \$1.2 million to launch the Manufacturing Careers Partnership and help our community get back to work
- Provided \$1.5 billion to help create good-paying jobs through the Upstate Revitalization Initiative

Improving infrastructure

- Secured \$200 million to rehabilitate aging drinking and wastewater systems
- Fought for \$500 million to expand vital broadband access

Al Stirpe
ASSEMBLY DISTRICT 127

“We’ve made great strides toward building a brighter future for Central New York this year, but there’s still more that can be done. That’s why I won’t stop fighting to do what’s right for our families.”
—Al Stirpe
