Dear Friend:

As we're still navigating our way through a global pandemic, I wanted to be sure to update my constituency on any upcoming deadlines or make you aware of any new information. Although my staff is the office, we are currently closed to in-person visits. We are available for email, phone calls and addressing any constituent needs.

As always, my office is always available to answer questions and advocate on your behalf. I implore you to remain vigilant, wear a mask and follow health, safety and social distancing guidelines. I wish everyone safety and health.

Warm Regards,
Assemblymember Pamela J. Hunter

LEGISLATIVE UPDATES

(Pictured above: Assemblymember Pamela J. Hunter speaking on the NYS Assembly floor regarding the Eviction Moratorium)

As a new legislative session starts my primary focus will be revitalizing the economy and protecting public health for CNY families.

Much of our annual state budget this year relies on the amount of aid we will be receiving from the federal government. ***No matter what happens in Washington D.C., I am committed to fighting against harmful cuts to education and our essential services.***

Low income families have suffered disproportionately from this pandemic and deserve an equitable distribution of any assistance that can be provided.

While much of the focus will be on the state budget and rent relief over the next two months, ***I am still actively pursuing my legislative priorities that protects tenants, assists small businesses and seeks criminal justice reform.*** With a new legislative session, all of my bills have been renumbered.

You can find my current list of legislation **here**

"The United Nations General Assembly designated January 27—the anniversary of the liberation of Auschwitz-Birkenau—as International Holocaust Remembrance Day. On this annual day of commemoration, the UN urges every member state to honor the six million Jewish victims of the Holocaust and millions of other victims of Nazism and to develop educational programs to help prevent future genocides."

Today and everyday, may we remember the victims of the Holocaust.

CONGRATULATIONS
Assemblymember
Pamela J. Hunter,

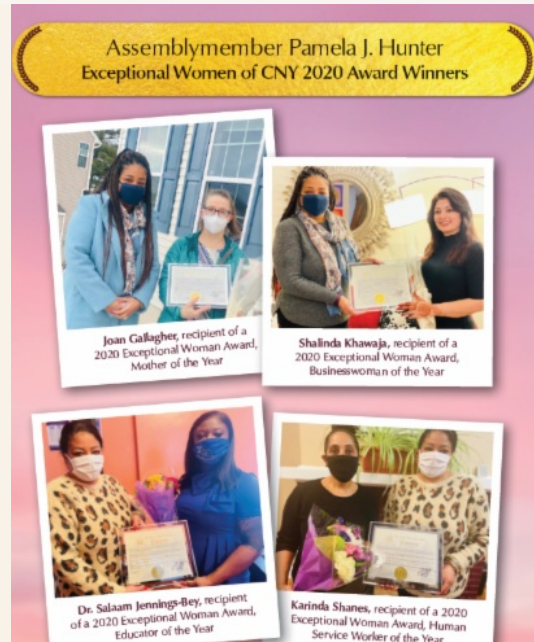

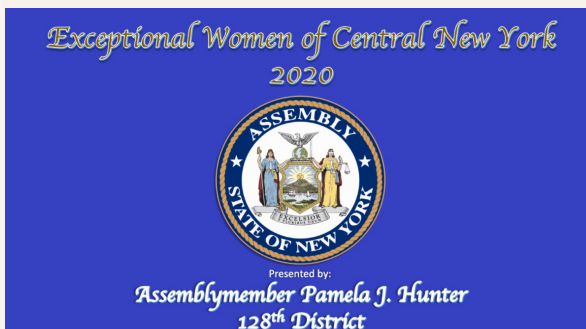

on accepting the Leadership position of *Chair of the Majority Conference*

"I would like to announce I have accepted the leadership position of Chair of the Majority Conference. I would like to thank Speaker Heastie for his confidence and I look forward to working with my Majority Conference colleagues in the role. We will face many challenges in the days ahead as the 2021 Legislative Session begins and as Chair I will work with the Conference to find the best way forward for all New Yorkers"
