“WISHING YOU A JOYOUS HOLIDAY SEASON AND A NEW YEAR FILLED WITH HEALTH AND HAPPINESS”

When the New York State Assembly is not in session in Albany, I get a chance to spend my time meeting with constituents, attending business and organizational meetings throughout my district and visiting our charitable and service institutions that help families in our CNY region. I wanted to share with you a “Holiday Picture Book” newsletter to highlight the good deeds and sharing spirit that we have in our community year-round. Although these photos only represent a small number of events that take place every month, they still reflect how lucky we are to live in such a great place. From myself, my family and my staff, I wish you all the best in the New Year.

Sincerely, *Bill Magnarelli*

CNY Veterans Parade and Expo

The outpouring of gratitude and support for our military and veterans at the 2012 CNY Veterans Parade and Expo on Nov. 10 at the NYS Fairgrounds was extraordinary. The hour long parade was filled with 90 organizations of local veterans from all conflicts since WWII, Fort Drum soldiers and the West Point Drill Team, music and pageantry. The Expo featured great displays of interest

to our veterans and present military personnel, including informational displays of organizations that help veterans and soldiers. More than 4,000 community members came to the NYS Fairgrounds to watch the parade and tour the Expo.

The CNY Veterans Parade and Expo Board is already at work planning the Nov. 9, 2013 event. We are looking forward to creating an even more memorable event to say "Thank You" to all of Central New York's present military and veterans who have sacrificed so much for our freedoms.

On November 8th, Rural/Metro Medical Services presented their employees who have served in the various branches of the military with a custom military-style Challenge Coin.
