

Dear Friends,

Consistent with Department of Health recommendations to limit close contact during the ongoing COVID-19 pandemic, constituent services and other inquiries will be limited to email and telephone until further notice.

To contact my office, please email to magnaw@nyassembly.gov or call at 315-428-9551. We will do our best to respond as soon as possible.

For questions on coronavirus, please call the New York State Department of Health Novel Coronavirus (COVID-19) Hotline at 1-888-364-3055. You can also visit their website <https://coronavirus.health.ny.gov/home> for prevention tips.

Additionally, SUNY Upstate has set up a local COVID-19 number at 315-464-3979. This is for 'non 9-1-1' calls and is available if a member of the public has coronavirus-related questions, is showing possible symptoms or may have had exposure to someone diagnosed with a positive case of COVID-19. The public may call this line to be guided on next steps. Additional questions about the Triage number can be found at <https://www.upstate.edu/emergencymgt/trending/coronavirus.php>

Onondaga County has also set up a website with additional COVID-19 information at <http://www.ongov.net/health/coronavirus.html>.

I will continue working to make sure that all residents of the 129th Assembly District are able to have their concerns addressed.
