

WILL BARCLAY
Minority Leader

THE ASSEMBLY
STATE OF NEW YORK
ALBANY

April 30, 2020

The Honorable Donald J. Trump
President of the United States
The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

The Honorable Charles Schumer
Senate Minority Leader
Hart Senate Office Building, 322
Washington, DC 20510

Dear Mr. President, Minority Leader Schumer & Congressional Leaders:

As a fifth stimulus package is being negotiated in Washington, we hope that it includes aid to local governments, especially in states being hit the hardest by the COVID-19 pandemic. We write to urge you to direct some of that aid to volunteer fire departments and volunteer emergency medical services (EMS) that are on the front lines of this epidemic and are facing economic devastation as a result.

New York State is protected daily by 110,000 volunteer firefighters in nearly 900 fire districts. According to the Firemen's Association of the State of New York (FASNY), the services provided by volunteer fire departments save New York taxpayers more than \$3 billion per year.

New York State has been the epicenter of the COVID-19 outbreak for months, with more than 290,000 positive cases. COVID-19 is taking its toll on our communities both personally and financially. We simply cannot afford to lose our volunteer fire departments and volunteer EMS as a result.

We respectfully request that you consider these recommendations to provide direct assistance to volunteer fire departments and volunteer EMS to help them survive this pandemic:

- Ensure federal reimbursement to volunteer fire departments and volunteer EMS for personal protective equipment (PPE), such as face shields, gloves, gowns, goggles and

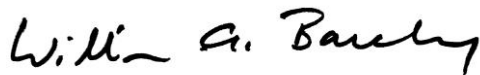

glasses, head covers, masks, respirators, and shoe covers in conformance with FDA requirements.

- Direct federal aid to support eligible first responders who have suffered an involuntary loss of wages and firefighters and emergency medical technicians who have been exposed to COVID-19 and are mandatorily quarantined and cannot return to their primary occupation.
- Direct stimulus funding to volunteer fire departments and volunteer EMS to cover the loss of revenue that that is normally generated through fundraising practices hindered by social distancing.
- Ensure that volunteer fire departments and volunteer EMS are eligible for COVID-19 recovery loans and grants.

Members of the Assembly Republican Conference appreciate your tireless efforts during this troubling time. We thank you for your consideration and attention to this pressing matter.

God bless America.

Sincerely,

Will Barclay
