AS SOMEONE WHO GREW UP IN OUR LAKESHORE COMMUNITY, I KNOW HOW IMPORTANT IT IS TO THOSE THAT CALL IT HOME. **IT IS CRITICAL THAT WE TAKE PROACTIVE STEPS TO PROTECT HOMEOWNERS AND WORK TO PRESERVE THE BEAUTY OF THE LAKE FOR FUTURE GENERATIONS. THAT IS WHY I HAVE SUPPORTED LEGISLATION THAT:**

- ✓ Creates a moratorium on wind turbines from being placed on Lake Ontario (A.8399).
- ✓ Provides tax relief to neighbors who are impacted by record high lake levels (A.6974).
- ✓ Tasks the DEC to work with homeowners who live along Lake Ontario and the St. Lawrence River on projects to help them better withstand flooding (A.4371).
- ✓ Educates residents about the lack of flood damage coverage under standard home insurance policies and the option to get protection against flood damage through a separate policy, the National Flood Insurance Program (A.6367).
