# SENIORS DESERVE OUR SUPPORT

We are proud to have thousands of seniors call Monroe County home. We believe in making New York more affordable to ensure residents can remain in their lifelong homes during their golden years. Here are some of the bills I have introduced and sponsored that can help do that:

**JOSH JENSEN**

OUR ASSEMBLYMAN

**SUPPORT STAFF BACKGROUND CHECKS** I want nursing homes and assisted living facilities to be able to conduct criminal background checks on their support staff to ensure safety for seniors (A.2971)

**SAVINGS IN STAR** I want to see seniors living on fixed incomes have their Enhanced STAR property tax exemption cap increased to combat this inflationary period (A.2769-A)

**ADDITIONAL TAX BREAKS** I want to offer New York's seniors 65 years and older a property tax credit to help them maintain steady retirement plans in New York (A.8308)

**INCREASE STAR BENEFITS**  
I want to provide seniors living outside of New York City with higher STAR exemption savings and reimbursement programs to offset rising costs in their lives, while incentivizing local governments to adopt this proposal with state aid (A.8313-A)

**PROTECTION FROM FRAUD**  
I want to criminalize the defrauding of a person 65 years of age or older if that person used deceptive tactics to gain access to a senior's money, property or benefits (A.10038)
