Dear Friend,

It was an honor to be sworn in as the next Assemblymember of the 136th district last month. After several months without a representative in this seat, I have hit the ground running to ensure you and your family have access to the services and resources you need during this very difficult time. My office is here to listen to your concerns and find solutions to the problems impacting you. In Albany I will be your advocate for affordable quality healthcare, strengthening our education system, quality jobs providing a livable wage, and protecting the environment for future generations. We look forward to serving you.
