We can't put a price tag on our children's safety.

Our students, teachers and administrators deserve to feel safe and secure in and around our schools.

STEVE'S PLAN FOR SAFER SCHOOLS:

- ★ **Fighting** for state funding to hire a School Resource Officer at every school statewide
- ★ **Increase** the salary cap for retired police officers serving as School Resource Officers to incentivize more security in our schools
- ★ **Give** local governments the ability to lower speed limits on school roads (A.4554)
- ★ **Allow** safety and security improvements at schools to be tax exempt expenses (A.869)
- ★ **Decertify** teachers convicted of felonies (A.3600)
- ★ **Stop** registered sex offenders from living within 1000 feet of school grounds or a playground (A.1665)
