PUBLIC SAFETY PRIORITY #1

As our Assemblyman, Steve has been a proven voice for improving public safety. He has consistently stood up against policies like Raise the Age (A.3009-C; Part W of 2017) and the Clean Slate Act (A.1029-C). Steve holds an annual "Pizza for Police" event where he personally delivers pizzas to police agencies across the Assembly district.

HERE IS JUST A SMALL PART OF WHAT STEVE HAS BEEN WORKING ON TO KEEP US SAFE:

- ★ Strengthening parole review procedures to keep dangerous offenders off the streets¹
- ★ Providing judges more discretion when setting bail²
- ★ Keeping our community safe by requiring convicted sex offenders to have lifetime parole supervision after their release and prohibiting them from receiving early release from prison for good behavior³
- ★ Protecting houses of worship from hate crimes⁴
