Office of New York State Comptroller*

Banks, insurance companies, corporations and the courts are among the many organizations **required by law** to report dormant accounts to the State Comptroller. These organizations must attempt to notify you by mail and publish the information in newspapers. Despite these efforts, many funds remain unclaimed and are turned over to the Office of the State Comptroller.

- **New York State currently has \$18.4 BILLION in unclaimed funds.**
- **\$39.5 million in NYS Unclaimed Funds are available to residents of the 141st Assembly District.**
- Unclaimed funds can be funds that have been collected as refunds, overpayments, security deposits or checks that were never cashed due to being lost, the payee moving, or death.
- Most unclaimed funds are associated with utilities, estates, insurance companies, courts, bank accounts and more.
- Most claims can be submitted online (www.osc.state.ny.us/unclaimed-funds)
- 70% of claims are less than \$100
- **There is never a fee to reclaim funds.** Beware of phishing scams where you are asked to pay a fee to receive your unclaimed money.
