This event is free!

Join us for a fun and eco-friendly event where you can safely dispose of your unwanted paint! Don't miss this opportunity to declutter your space and contribute to a greener environment.

Registration is required. Simply sign up and secure your spot. We'll be accepting various types of paint, from latex to oil-based, so bring them all! A team of experts will be on hand to guide you through the process and ensure everything is properly recycled.

For all events, we ask that attendees stay in their cars. Event staff will direct you to drop-off lanes where we will unload everything for you. This ensures a safe and efficient process.

Spread the word and invite your friends and neighbors to join in. Together, let's make a positive impact on our community and the planet. Don't forget to mark your calendars for this exciting event!
